Plaza Centers N.V. (the “Company” or “Plaza”)

COURT GRANTS PLAZA’S APPLICATION FOR REORGANISATION PROCEEDINGS

Further to the announcement earlier today, the District Court of Amsterdam (the “Court”) has granted Plaza’s application for preliminary suspension of payment proceedings (*voorlopige surseance van betaling*). The Court has appointed Mr. J.L.M. Groenewegen as administrator (*bewindvoerder*) and Ms. L. van Berkum as supervisory judge (*rechter-commissaris*).

Throughout the restructuring process, the Company intends to continue its business activities as normal. Plaza’s management team will manage the affairs of the Company alongside the administrator.

In order to resolve its liquidity situation, the Company has filed with the Court a restructuring plan proposed to its creditors. This restructuring plan proposes a deferral of the obligations of the Company for a period of three to four years, or shorter if cash flow permits, without requiring the bondholders to take a loss on the par value of their investments. During the restructuring process creditors are subject to a moratorium.

The Company will approach its creditors in the coming weeks to seek approval for the restructuring plan, which can be implemented during the Court supervised process with majority consent.

The Court has determined that the creditors meeting for the purpose of voting on the plan will take place on 17 April 2014 at the court in Amsterdam and that creditors can file their claims for voting purposes with the administrator before 3 April 2014.

The Company and the administrator will notify the creditors of the further process in the coming weeks.
