EXPLANATION TO THE NOTICE AND RECOMMENDATION

1. Pursuant to section 3:391 of the Dutch Civil Code (*Burgerlijk Wetboek*) the annual report of a Dutch company should be drawn up in Dutch, unless the general meeting of shareholders approves the use of a different language. The Company is therefore requesting shareholders' approval for the annual report being prepared in the English language.
2. The Company presents its Dutch statutory annual accounts (including the consolidated accounts) and annual report for the year ended 31 December 2008. The annual accounts, the annual report, the auditors opinion (as referred to in article 26.3 of the Company's articles of association (*statuten*)) and other related information required pursuant to section 2:392 of the Dutch Civil Code (*Burgerlijk Wetboek*) are available for inspection from the date of this notice until the end of the meeting at the offices of the Company, Keizersgracht 241, 1016 EA Amsterdam. In addition, the Company's annual report is available on the Company's website (www.plazacenters.com). Shareholders may request a hardcopy of the documents at no cost.
3. Pursuant to section 2:101 paragraph 3 of the Dutch Civil Code, the general meeting of shareholders is the corporate body entitled to adopt the Company's Dutch statutory annual accounts. It is proposed that shareholders adopt the Company's Dutch statutory annual accounts for the year ended 31 December 2008. In respect of the availability of the underlying documents, please see the remark under paragraph 2 above.
4. As is customary for Dutch companies, it is proposed that shareholders discharge the Company's directors from their liability for the conduct of business during the previous financial year. Pursuant to Best Practice Provision IV.1.6. of the Dutch Corporate Governance Code (*Nederlandse Corporate Governance Code*), this item is included as a separate agenda item.
5. Pursuant to article 19.2 of the Company's articles of association, the agenda includes the appropriation of profits. Pursuant to article 27.1 of the Company's articles of association, the profits will be at the disposal of the general meeting of shareholders. The Board of Directors of the Company hereby proposes to pay no dividend to shareholders in respect of the year ended 31 December 2008 but to include the profits over the year ended 31 December 2008 in the general (profit) reserve. The Board is of the view that, given the fact that the current crisis also affects the primary markets the Company is operating in, the non-payment of dividend is appropriate to exercise adequate caution to the financial position of the Company, to keep strong cash position and high liquidity.
6. In the Annual General Meeting held on 27 May 2008, the Company's shareholders authorised the Board to issue shares, for a period up to the AGM to be held in 2009. In accordance with the current best practice, the Board of Directors is requesting the renewal of this authority. The authority applies to 33 per cent. of the Company's issued share capital as at the date of the notice for this Annual General Meeting. There are no current plans to allot shares except in connection with the Company's employee share scheme.
7. In the Annual General Meeting held on 27 May 2008, the Company's shareholders authorised the board to exclude pre-emption rights for a period up to the Annual General Meeting to be held in 2009. In accordance with the current best practice, the Board of Directors is requesting the renewal of this authority. The authority applies to 10 per cent. of the Company's issued share capital as at the date of the notice of this Annual General Meeting. There are no

current plans to allot shares except in connection with the Company's employee share scheme. Pursuant to section 2:96a paragraph 1 of the Dutch Civil Code, shareholders have pre-emption rights solely for shares issued for cash. No pre-emption rights exist in respect of shares issued against a contribution in kind. No pre-emption rights exist in respect of shares issued to the Company's employees or to employees of a group company.

The directors intend to seek renewal of the authority and powers set out in resolutions 6 and 7 at each Annual General Meeting of the Company.

8. This resolution seeks authority for the Company to buy back its own shares. This resolution will give the Board of Directors the authority to buy back shares, and would be limited to 29,243,996 ordinary shares, representing approximately 10% of the issued share capital as at the date of the notice for this Annual General Meeting.

Any shares purchased pursuant to this authority may be cancelled and the number of shares in issue would be reduced accordingly, or they may be held as treasury shares, which may then be cancelled, sold for cash or used to meet the Company's obligations under its employee share scheme.

During the past year, the Company has effected a buyback of 14.5 million ordinary shares which are being held as treasury shares. There are no current plans to further buyback any shares.

No purchases will be made unless the expected effect will be to increase earnings per share. The purchase of shares by the Company under this authority would be effected by a purchase in the market. It should not be confused with any share dealing facilities that may be offered to shareholders by the Company from time to time.

Recommendation

Your Board of Directors considers that each of the resolutions set out in the Notice of Meeting is in the best interests of shareholders as a whole and recommends that you vote in favour of each resolution, as each of the directors who holds shares in the Company intends to do in respect of his own beneficial holding.
